## **POLICY**

Wherein an application is made to the Council on behalf of any organisation to utilise part of a road or land owned by or under the control of the Council for recreational purposes or for public health or other purposes, then the organisation will be required to notify the General Manager in writing detailing the event. In the case of a minor event (eg bicycle races and charity walking events on local roads) where safety is not an issue, the General Manager has delegated authority to grant permission on behalf of Council, otherwise all such instances are to be forwarded to the Traffic Committee for consideration.
